Andhra Pradesh-517501.

This is to certify that **Dhanush Konduru** has successfully completed his internship from 9th June 2025 to 25th July 2025 at Centific Global Technologies. During this period, he demonstrated exceptional dedication and professionalism.

Dhanush learned and provided end-to-end support on:

1. LLM inferencing using models such as OpenAI, DeepSeek, Microsoft Phi-2, Phi-3, and Gemma.
2. Hands-on experience in fine-tuning with LoRA, including applying it to Phi-3 and DeepSeek.
3. Implemented fine-tuning and tested it for PaliGemma model.
4. Used Phi-2 for summarizing evaluation metrics and analyzing model performance.
5. Worked with Weights & Biases (W&B) for experiment tracking and model performance monitoring.
6. Created a Python script to generate and store files in a relational DBEavara database.
7. Performed inferencing on LLaMA 3 model by downloading it from Hugging Face and running it locally on laptop.

Dhanush was found to be hardworking, sincere and diligent throughout the internship. We wish him all the best in future endeavors.
